

Buy A Brick Program

St. Charles Humane Society is raising money to help purchase supplies for the new animal shelter. The bricks will be placed near the front entrance of the newly built shelter and will be viewed by everyone who enters and leaves the building.

The Buy a Brick Program offers you an opportunity to memorialize a cherished pet (or pets), dedicate to a family member or friend, or show your support for the newly built animal shelter. Whatever the reason for your purchase, it is beautiful and everlasting way to express your sentiment while contributing to a worthwhile cause.

**In Memory of
Sweetie
December 24, 2010**

Sample of completed brick.
